Terms of Additional Functionality valid untill 29.07.2025

1. The Additional Functionality for the 1login account from WP, '1login connect,' is provided by WP to Users of the 1login account from WP.
2. '1login connect' enables the User of the 1login account from WP to access and use services and websites that are not part of the Wirtualna Polska Services, i.e., services provided by individuals, legal entities, and organizational units without legal personality who provide services on the internet in their own name and at their own responsibility. WP reserves the right to enable the use of the 1login account from WP only for specific services outside the Wirtualna Polska Services.
3. By using '1login connect,' the User of the 1login account from WP can:
    a. Access User data outside the Wirtualna Polska Services and provide it during the registration process for services outside the Wirtualna Polska Services;
    b. Register in services outside the Wirtualna Polska Services using the 1login account from WP;
    c. Log in to services outside the Wirtualna Polska Services;
    d. Access services outside the Wirtualna Polska Services using the 1login account from WP in other ways.
4. By using '1login connect,' the User gains access to User data from the 1login account from WP and has the possibility to save this data in forms and other locations outside the Wirtualna Polska Portal and beyond the

Wirtualna Polska Services. The User independently transfers User data presented to them using '1login connect' outside the Wirtualna Polska Services.transfers the User’s data presented to him/her using WP connect outside of Wirtualna Polska Services.

5. By using '1login connect,' the User authorizes WP to verify to third parties providing services outside the Wirtualna Polska Services the correctness of the User's login using the 1login account from WP.
6. When verifying to third parties providing services outside the Wirtualna Polska Services the correctness of the User's login using the 1login account from WP, WP provides these third parties with only the necessary data to properly log in the User using the 1login account from WP, such as the email address and internet identifiers associated with the email address, solely for the purpose of proper use of '1login connect.'
7. WP does not provide services outside the Wirtualna Polska Services and is not responsible for the User's use of services outside the Wirtualna Polska Services
8. WP reserves the right to discontinue the provision of the '1login connect' service entirely or in part for individual services outside the Wirtualna Polska Services at any time
9. Matters not regulated in these Regulations for the Additional Functionality of the 1login account from WP, '1Login connect,' shall be governed by the provisions of the Regulations for the 1login account from WP.
